Voluntary removal decision

Date of decision: 3 July 2024

Particulars of decision

1. Social Work England has agreed to Wendy Tonge's request to remove themselves from the register under the voluntary removal process. Social Work England has agreed to remove them from the register on the basis that they have confirmed:
 - They are not currently practising as a social worker
 - They do not intend to practise in the future
 - They will not apply to be restored to the social workers register at any point in the future
2. In light of the above, Social Work England has agreed that it is not in the public interest for the fitness to practise process to continue and they can be removed from the register.
