## Particulars of decision

- 1) Social Work England has agreed to Mr Smith's request to remove himself from the register under the voluntary removal process. The social worker has been subject to a final conditions of practice order since 2022. Social Work England has agreed to remove him from the register on the basis that he has confirmed:
  - he is not currently practising as a social worker
  - does not intend to practise in the future
  - he will not apply to be restored to the social workers register at any point in the future.
  
- 2) In light of the above, Social Work England has agreed that it is not in the public interest for the fitness to practise process to continue and he can be removed from the register
