Fitness to Practise Voluntary
Removal Decision

Date of decision: Thursday 10 August 2023

Particulars of decision

Social Work England has agreed to Mr Hoar's request to remove himself from the register under the voluntary removal process. The social worker has been subject to Suspension/ Conditions of Practice orders since 2020. Social Work England has agreed to remove him from the register on the basis that he has confirmed:

- He is not currently practicing as a social worker
- He does not intend to practise in the future
- He will not apply to be restored to the social workers register at any point in the future.

In light of the above, Social Work England has agreed that it is not in the public interest for the fitness to practise process to continue and he can be removed from the register.
